Panama, June 5th, 2007

Dear Mr. / Mrs.

We will like to take this opportunity to share with all future Destiny Panama Bay residents some good news from Panama, as you can see on the attached picture your home away from home is now on the 28th level and growing at incredible speed. Soon you will be able to see the Spa and Relaxation area.

In other news, it has come the time to choose from three beautiful colors for the BERLONI kitchen cabinets. Attached you will find all the choices available, just as a reminder, the first choice is the one from the model unit. (You can find reference on our web site [www.destinypanamabay.com](http://www.destinypanamabay.com))

We will kindly ask you to submit your choice of colors before the deadline, July 30th 2007, to [rwittgreen@destinypanamabay.com](mailto:rwittgreen@destinypanamabay.com)

If we have not received an answer by that time the color installed will be the one from the model unit.

We hope to hear from you soon, and more Destiny news will be available in our next NEWSLETTER!

Best regards,

Destiny Panama Bay
